RE: Year 6 Whole Class Booster Sessions

Dear Parents/Carers

During the Spring term we will be running booster sessions after school for our Year 6 pupils. From week commencing 15th January, whole year group booster sessions will take place on Mondays, 3.15-4.15pm.

Although attendance is not compulsory, these additional sessions have proven to be very beneficial to the children on the lead up to their SATs and **your child is strongly encouraged to attend**. They also enable us to work very closely with the children allowing us to support them one-to-one where required, attending to their individual needs.

In addition to this, and to supplement your child's preparatory revision for SATs at home, each child within Year 6 will be issued with revision guides for Maths, SPAG and Reading. These will be issued on a loan basis and will be required to be returned after SATs. **It is strongly recommended that as part of your child's preparation for SATs and for secondary education that these resources are utilised as much as possible.**

We would appreciate your child's attendance at these weekly sessions as well as their utilisation of the revision guides at home and look forward to the attainment and progress that your child will achieve.

Thank you for your continued support. Please contact the office should you wish to discuss this matter further or require any further support.

Yours sincerely,

Mr Spencer

Year 6 Class Teacher
