Dear Parents/Guardians,

MATHS Morning & Evening – Thursday 16th November 2023

The Maths morning/evening will take place on Thursday 16th November.

These sessions will be a great opportunity for you to understand the Maths curriculum and how this is taught within school. There will be helpful tips and resources available to take home to help you support your child/children.

Each 1-hour session is divided into three 20-minute slots; you are very welcome to attend all three slots within the hour or just those that are relevant to your child/children.

The support of parents in a child's learning is invaluable. If you wish to attend any of the sessions please complete and return the reply slip below.

Thank you for your continued support.

Yours sincerely,

Mr Hodgson
Head of School
